FREQUENTLY ASKED QUESTIONS

Q: How far in advance of my reunion do I need to place my order?

A: As a "rule of thumb" we like you to have your order to us appx. 2 1/2 weeks before your reunion date. It usually takes 7 to 10 days to process your order, but you will like to receive your shirts well in advance of your reunion. (Your artwork can be done anytime. There is no charge for this and like to get it approved ahead of your order.)

Because you don't need to worry about sizes for souvenirs (like you do with shirts) you can order those anytime.

Q: Do you have children's sizes?

A: Yes, children's sizes are the same prices as adults and include: YXS (2-4), YS (6-8), YM (10-12), and YL (14-16).

Q: Can I have something printed on the back of the shirts too?

A: Yes, Please contact us at 1-800-393-6731 or pete@reunionking.com for prices. (A saying or more wording beneath your design on the front can be added for no extra charge).

Q: Can I add shirts after I place my order?

A: We will do our best to accommodate you if your shirts have not been printed. However, once your shirts have been printed any add-ons would have to be treated as a separate order and the minimum of 12 shirts would take effect. (You can always order extra right away).

Q: Do we need to pay for our order before it is shipped?

A: Yes, because each order is custom printed, a payment in full is needed before we begin printing.

Q: Can I have 1 design printed on my t-shirts and another on my tote bags or balloons?

A: No. To avoid confusion and keep your reunion theme unified, the same design needs to be printed on all items.

Q: Are your products guaranteed?

A: Yes. If any of our products are defective in construction or workmanship or not printed per your proof, we will gladly redo the job or refund your money.

Tote Bags

22 " Handles
100% Cotton 6.0 ounce
Size: 15" x 16"

Because our tote bags are printed on the same press as the t-shirts, you can combine the number of totes with the number of t-shirts to meet your quantity price.

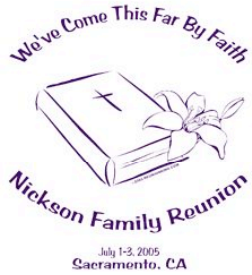

Example: 30 printed white t-shirts by themselves would be \$ 7.99 each; but...if you buy 30 t-shirts AND 6 tote bags for a total quantity of 36 items you would get them all for the 36 quantity price of \$6.49 each!
